## EMPLOYEE BENEFITS PROGRAM

Provided in partnership with:

Arizona BioIndustry Association is please to announce the launch of the AZBio Employee Benefits Program effective January 1<sup>st</sup>, 2009. AZBio has partnered with the Arizona division of HUB International, the fifth largest insurance brokerage in the country, to design, service, and provide access to a preferred discount program on group medical, dental, vision, life, and long term disability offered through HUMANA.

The AZBIO Employee Benefits Program through the both the listed, additional bundled discounts offers the most favorably discounted program to life sciences companies and other member organizations in the state of Arizona. The value of this program however is not limited to just premium discounts. Every AZBio Member who comes on the program will have access to theses valuable services offered through HUB International and HUMANA at no additional cost.

On Line Enrollment -	For all groups on any of the plans offered
Cobra Administration -	For all groups choosing medical
MyWave -	A robust URL based Human Resource Center
Compliance Checklist -	Available to all participating members
24/7 EAP -	Employee Assistance Program with medical plan

---

No matter when your current employee benefits health insurance plan renews, or if you are considering starting an employee benefits program, we encourage you to contact Mark New and Tommy Richards at HUB International to find out more about this valuable program now available exclusively to AZBio member organizations.

Details of the plan can be accessed through the AZBio website [www.AZBio.org](http://www.AZBio.org) or at the AZBio Employee Benefits Program Site: [www.hubinternational.com/azbio](http://www.hubinternational.com/azbio)
